## President's Message

—Esther VanGorder, president

How can it be that it's already September and summer is nearly over? We should all take consolation in the knowledge that fall goes on forever in Nova Scotia. I hope everyone had a good summer and was able to enjoy some downtime.

There is no such thing as summer downtime at the Pond Playhouse. Although the evidence may not be visible from the outside of the building, activity is ongoing as we ended one season and

flowed seamlessly into the next.

Congratulations go out to the intrepid cast and crew of *The Hollow* who survived more than their share of trials and tribulations—not the least of which was a heat wave—but still put a wonderful show on the stage. I'm pleased to report that Michael Roche, who played Gudgeon (the butler), has recovered from the appendicitis attack that forced him off the stage for the last weekend of performances. Luckily, Mrs. Gudgeon (in the person of director Iris Paterson) was available to step in.

There is a more detailed report of the activities of the Lobby Expansion Committee later in this newsletter. I had hoped that you would be able to see physical evidence of the project by now, but unfortunately, the process of documentation of plans and obtaining the required approvals from the HRM is taking longer than we expected. However, we are still optimistic that significant progress will be made before the weather changes unfavourably.

You will already have received the official notice of the Annual General Meeting, which will be held at the theatre on Monday, September 19<sup>th</sup> at 8:00pm. I encourage all members to attend and participate. Join us for the ceremonial sod turning before the beginning of the official meeting. Take this opportunity to meet and talk with your returning and outgoing board members. As a bonus, you'll be able to get a sneak peek at the set for the opening production of the 2005/06 season: Norm Foster's *The Affections of May*, opening on September 29<sup>th</sup>.

The upcoming season is our 75<sup>th</sup> Anniversary Season. It promises to be an exciting and varied collection of plays that includes something for everyone, including the always popular Pantomime—a world premiere of an original script by another one of our own, James Boyer, who is following in the footsteps of Lorne Abramson & Cheryl Theriault (*Red Riding's in the Hood* – 2004) and Jeff Pocock & The Gratwick Partnership (*Cinderella* – 2001).

Watch for 75<sup>th</sup> Anniversary events in upcoming issues of *Contact*. Oh! You want to continue receiving *Contact*? Don't forget to renew your membership, or this will be your last issue.

## Affections Info...

In Norm Foster's *The Affections Of May*, May Henning is the owner of a bed and breakfast in the town of Grogan's Cove. After being deserted by her husband Brian, who has decided that small town life is not for him, May is left to fend for herself, and she suddenly finds she is the centre of attention in this small resort town. This was the most produced play in all of Canada in 1991.

TAG's production of *The Affections of May* stars Alice Woodbury as May, Scott Murphy as Quinn, Frank MacLean as Hank, and Roy Ellis as Brian. Cheryl Theriault is directing, and Louise Renault is producing. Patti Morse is stage manager.

With a cast like this, how can we go wrong? Regular TAG attendees will remember Alice Woodbury from her performances as Daryl in *Best of Friends* and Chrissy in *Dancing at Lughnasa*, both last season. Scott Murphy first appeared on the TAG stage in *Romance with a Twist*, our 2003/2004 season opener and played Gary in *I Hate Hamlet* later that same season. Frank MacLean has appeared in numerous TAG productions over the years, most recently as Lloyd in 2003/2004's *The Wisdom of Eve* and Lee in TAG's production of *The Melville Boys* at Studio Neptune this past June. Those who venture beyond the walls of the Pond Playhouse will have seen Roy Ellis as Judas Iscariot in *Jesus Christ Superstar* at St. Matthew's this past spring.

With Cheryl Theriault at the helm, still basking in the glow of her directorial (and authorial) debut last season with *Red Riding's in the Hood* (co-directed and co-authored with Lorne Abramson), and Louise Renault furling the sails (and battening down the hatches, and hoisting the jib, and scrubbing the decks, and...) the cast and crew are in capable hands. Patti Morse is heading up that crew, returning to us as stage manager after a prolonged work-induced absence. Welcome back, Patti. (Oh, *that's* what you look like!)

Book your tickets now. This is gonna be a good'un. \*

## Donation Doublers!!

A big "Thank You" to all who doubled their donation to expand TAG's lobby! Many of you have already taken advantage of the fact that, as an incentive to "kick-start" this Lobby Fund Drive, the Gratwick Partnership (long time TAG members John and Lyn Gratwick) have generously agreed to match all donations of \$100 or more, up to a total of \$5,000. Thanks to the generosity of the Gratwick Partnership, over \$3,500 has been donated to date.

There is still time for you to donate. The deadline for contributions is October 21<sup>st</sup>, 2005. If you wish to donate to the fund, please send your cheque to the Treasurer, made out to "Theatre Arts Guild Building Fund." You will receive a charitable donation receipt for income tax purposes (*thus allowing the federal and provincial governments to make their contribution to our new lobby!*)

We know that many of you will want to support the Gratwicks' effort on behalf of TAG.

Please send your donation of \$100 or more to:

## Lobby Expansion News

—Bill VanGorder, TAG Publicity Manager

Rich Knowles and his Lobby Expansion Committee have spent a busy (and sometimes frustrating) summer working to finalize the plans for the building addition that will provide theatre patrons with a more comfortable lobby.

We are now in the final stages

of that process, and as

this newsletter

goes to press,

we are finally

able to report that

both the Province

and the City are

in support of our

work and have

given us permission

to proceed with our project as

designed. We now await the "official paperwork" that will allow us

to put our shovels in the ground. The process of receiving approvals

for our plans took much longer than any of us had imagined, but

the final outcome will be an even more practical and useful addition

than we had originally envisioned. *Special thanks must go to our volunteer*

*architectural consultant, Monique MacEwan, for her patience and*

*expertise in assisting the committee with the preparation of the plans and*

*proposals.*

The committee met at least once a week (and often two or three

times a week) all summer to make our plans a reality. We look forward

to the "Sod Turning Ceremony" prior to the Annual General Meeting

on September 19<sup>th</sup>. Construction will then proceed throughout the

fall months with a goal of having a closed in space in which we can

continue to work after the snow flies. Because the lobby expansion

does not affect the present theatre and lobby space, construction will

continue without impacting on the current season or the comfort of

audiences attending our fall and winter productions.

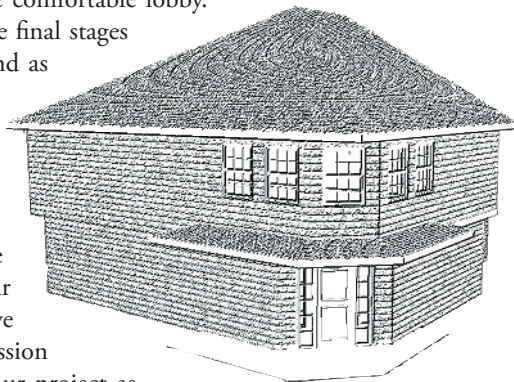

If you have any questions about the Lobby Expansion, don't

hesitate to contact any of the committee members: Rich Knowles,

chairman, Nick Jupp, Hugh Vincent, Austin Reade, Joe O'Brien, J

Carruth, John Gratwick, Carolyn Boyer, Esther VanGorder, or Bill

VanGorder. \*

## The AGM Approaches

You are invited to the 2005 TAG Annual General Meeting and "Sod Turning" for the new addition to the lobby area.

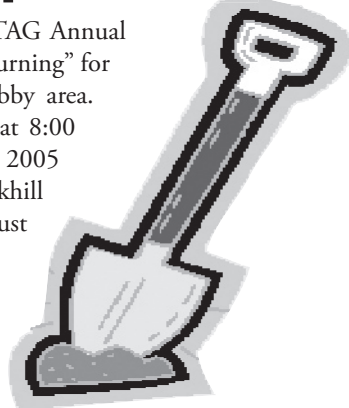

The proceedings will commence at 8:00

P.M. on Monday, September 19<sup>th</sup>, 2005

at The Pond Playhouse, 6 Parkhill

Road (left at the four-way stop just

past the Frog Pond). \*

## Show description:

They say that the path to true love is never smooth, and this is so true in this year's Pantomime, a rollicking farce that chronicles a classic battle between the forces of good and evil. We witness the struggle of nature versus rampant overdevelopment as the quiet lives of the reclusive, mysterious furry creatures, the Wuzzels, are threatened by an evil witch and her no-good son. Storybook characters abound amidst romance, loss, betrayal, and palace intrigue, all in a romantic setting of ancient castles, high-seas adventure, and tropical islands. This panto has it all. Even a guest appearance from the infamous 'Dawn' Cherry!

This is an opportunity for you to become involved in a vibrant community theatre and a two-hundred year old British theatre tradition. Singing, dancing, romance, and comedy all work together in a wonderful tried-and-true formula that makes for heartwarming family entertainment.

For those of you who are shy about the stage, but want to be involved, crew members are also needed. You can contact Jamie Boyer at 479-0581 if you want to be part of the backstage crew. \*
